

Harrisburg 2024

July 7th - July 12th

Say **YES** to starting your summer off with a mission trip to Harrisburg.

Serving in Harrisburg with YouthWorks

The city, though beautiful, can feel as if you are entering into another country when you cross the bridge into the Allison Hill neighborhood. The trash that piles up, and the hopelessness that can often be seen in poverty, is met with dedicated community members. We will have the chance to love and serve alongside of those who live in the neighborhood.

Who:

Any student who has completed 7th - 12th grade

We will depart Sunday July 7th in the morning and return early afternoon on Friday July 12th! We drive down together

Total Cost - \$449

Trip cost includes travel, housing, meals for the week and most activities!

We will be looking for chaperones to join us. In order to be a chaperone on the trip, you have to be Virtus trained. Please reach out if you are interested!
